The screenshot shows the MarTex software interface. At the top left is the MarTex logo. To its right is a search bar. Below the search bar are four horizontal menu items represented by icons: a house, a folder, a bar chart, and a gear. In the center of the dashboard is a card titled "Weekly Dynamics" showing a green upward arrow and the number "8,074". To the right of this is another card titled "Impressions" showing a yellow line graph and the number "8,726" with a red downward arrow indicating a 19.74% decrease. At the bottom of the dashboard is a semi-circular progress bar with a pink segment. On the right side of the dashboard, there is a profile picture of a man with a smiling face, followed by his name "Michael Rodriguez" and his email address "mrodriguez@gmail.com". Below this is another card titled "Users" with a purple background and a small line graph.

A dashboard header featuring a user profile icon, four progress bars at 91%, 83%, 76%, and 88%, and a central analytics card for 'Monthly Dynamics' showing a growth of +\$4284 and +3.46%.
